

Technical characteristics of PDU FRA16356

Model	PDU IN METAL
Product code	FRA16356
Positioning	Vertical
Dimensions WxHxD	4,4x96x6,8 cm (21 Rack unit)
Structure	Metal
Input plug	Schuko-type 16 A
Output sockets	16 Schuko/Italian 10/16 A-type
Length of power-supply cable	3 m
Power-supply cable section conductors	3x1,5 mm ²
Rated voltage	250 Vac
Rated current	16A
Switch	Termal-magnetic 16A
Safety protection	Childprotection
Certification	CE, Rohs Compliant
Colour	Black
Compatibility	19" Rack with heights exceeding 21 Rack unit

Technical characteristics of PDU FRA16357

Model	PDU IN METAL
Product code	FRA16357
Positioning	Vertical
Dimensions WxHxD	4,4x99x6,8 cm (22 Rack units)
Structure	Metal
Input plug	IEC309 32A-type
Output sockets	16 Schuko/Italian 10/16 A-type
Length of power-supply cable	3 m
Power-supply cable section conductors	3x1,5 mm ²
Rated voltage	250 Vac
Rated current	32A
Switch	Termal-magnetic 32A
Safety protection	Childprotection
Certification	CE, Rohs Compliant
Colour	Black
Compatibility	19" Rack with heights exceeding 22 Rack units

Technical characteristics of PDU FRA16358

Model	PDU IN METAL
Product code	FRA16358
Positioning	Vertical
Dimensions WxHxD	4,4x89,2x6,8 cm (20 Rack units)
Structure	Metal
Input plug	Schuko-type 16 A
Output sockets	8 IEC320 C13-type + 6 IEC320 C19-type
Length of power-supply cable	3 m
Power-supply cable section conductors	3x1,5 mm ²
Rated voltage	250 Vac
Rated current	16A
Switch	Termal-magnetic 16A
Safety protection	Childprotection
Certification	CE, Rohs Compliant
Colour	Black
Compatibility	19" Rack with heights exceeding 20 Rack unit

Technical characteristics of PDU FRA16359

Model	PDU IN METAL
Product code	FRA16359
Positioning	Vertical
Dimensions WxHxD	4,4x99x6,8 cm (22 Rack units)
Structure	Metal
Input plug	IEC309 32A-type
Output sockets	8 IEC320 C13-type + 6 IEC320 C19-type
Length of power-supply cable	3 m
Power-supply cable section conductors	3x2,5 mm ²
Rated voltage	250 Vac
Rated current	32A
Switch	Termal-magnetic 32A
Safety protection	Childprotection
Certification	CE, Rohs Compliant
Colour	Black
Compatibility	19" Rack with heights exceeding 22 Rack unit
